ABOUT LMTA

The Leila Meskhi Tennis Academy-the only tennis academy in Georgia was founded in 1997 by Leila Meskhi, who is still its only owner and director.

The Academy is located in the central green part of Tbilisi, the capital of Georgia.

Over the past 20 years, in our Tennis Academy the team of Georgia's top coaches has been mobilized, who have raised many successful tennis players, both for WTA and ATP.

Among them is the tennis player Nikoloz Basilashvili, who has been raised and become proficient at our Academy.

The priority of the Academy's teaching process has always been the combination of the theoretical and practical components, according to the modern world standards.

The academy is focused on the development of children's tennis from 4 to 15 years.

Successful work of the Academy is also supported by the international and local tournaments held annually at our base. Tennis Europe and ITF-Junior Tour.
